PROFESSIONAL SUMMARY

Motivated Bachelor of Computer Applications (BCA) student with a strong interest in full-stack web development and software engineering. Skilled in Java, Spring Boot, React, JavaScript, SQL, and modern web technologies. Passionate about building practical, scalable, and user-friendly applications while continuously strengthening software development and problem-solving skills.

EDUCATION

Bachelor of Computer Applications (BCA)

ITER, SOA University, Bhubaneswar, Odisha

Relevant Areas: Data Structures & Algorithms, Database Management Systems, Web Technologies, Java Programming, Data Mining & Warehousing, Cryptography & Information Security.

TECHNICAL SKILLS

Programming	Java, JavaScript, HTML5, CSS3, SQL
Frontend	React, Vite, Material UI, Responsive Web Design
Backend	Spring Boot, REST APIs, Spring Security, JWT
Databases	MySQL, MariaDB
Tools	Git, GitHub, VS Code, IntelliJ IDEA

PROJECTS

FreeBazar – Multi-Vendor QR Transaction Platform

Technologies: React, Spring Boot, Java, MariaDB, REST API, JWT

A multi-vendor web platform designed around QR-based transaction recording, vendor management, and customer transaction tracking.

- Vendor registration and approval workflow
- QR-based transaction workflow
- Customer transaction history
- Vendor dashboard and administration
- Authentication and authorization
- Responsive web interface

Project is under development and being enhanced with additional enterprise features.

Daily Planner Web Application

Technologies: HTML, CSS, JavaScript / React

A productivity web application designed to help users organize daily tasks, manage schedules, and improve time management.

- Task management
- Daily planning
- Responsive interface
- User-friendly design

ACADEMIC & LEARNING ACTIVITIES

- Participated in software development and web application projects.
- Continuously learning full-stack development technologies.

- Exploring enterprise application architecture and modern software engineering practices.

CERTIFICATIONS & ACHIEVEMENTS

To be added.

STRENGTHS

Problem Solving • Quick Learner • Team Collaboration • Communication • Adaptability • Continuous Learning

LANGUAGES

English • Hindi • Odia
